

What does it mean to be a **WOMAN**?

What do **WE** struggle with?

What makes us **BEAUTIFUL**?

Be the Change

Presents

Girl Talk:

A place to ask questions, gossip, share your opinions, inspire change

(Join us for pizza, fun, and a discussions of what it means to be a girl in today's society.)

Saturday March 7th

1:00 PM

The Center

(123. S. Cherry St.)

BE THE CHANGE is a group whose mission is to create a collaboration between women of Knox college and high school aged women in the Galesburg community. We aim to begin a discussion of social issues that affect the Galesburg community and develop social change projects that target those issues. Through this collaborative effort we hope to foster personal and communal growth through peer mentoring, and to empower women to affect change within their community.
